

## **SPECIFICATIONS – EVT0001744**

### **REPLACEMENT OF VEHICLE EXHAUST SYSTEM**

KDOT DISTRICT OFFICE

121 SW 21<sup>ST</sup> ST.

Topeka, KS. 66612

This project requires the removal and replacement of the vehicle exhaust system as indicated on the plans and specifications.

1. All bidders are required to visit the job site prior to submitting a bid, to review the existing conditions, access to the work site, and other job site issues. A business card must be left with Ryan White, the shop supervisor, at the job site.
2. The contractor shall schedule his work so as to minimize the disruption of the operations of the shop as much as possible.
3. KDOT will require a minimum of 24 hours notice before power to the building is disrupted.
4. The shop will be available for work from 7:30 AM to 4:00 PM. Evening or weekend work may be allowed if agreeable to the District Maintenance Engineer.

The list of plans that have been developed for this project are as follows:

MEP – KDOT District 1 – ME-1

MEP – KDOT District 1 – ME-2

MEP – KDOT District 1 – ME-3
